**RE: Called to Protect for Youth
30-Minute Renewal Information**

Dear Parents and Guardians:

As you know, the Diocese of Phoenix is committed to the education of all people about the tragedy of child abuse, and what steps can be taken to prevent abuse. EVERY child and youth in religious education programs are required to receive safe environment information EVERY year.

Once your child has taken the 3-part Called To Protect For Youth Series (usually taken in the 6th grade) we provide an annual 30-minute renewal during the regular class time.

This year we will offer the 30-minute renewal during class.

- ✓ **EDGE Renewal topic: On-line Culture - October 16, 2011**
(risks & dangers teens face on-line)
- ✓ **High School Topic: Healthy Dating Relationships – October 23, 2011**
(creating safe boundaries while dating)

If you prefer go through these materials with your child at a different time, please contact Sharon Matson to receive a copy of the presentation. Together we can make a difference in protecting all children.

Yours in Christ,

Sharon Matson
